BY LAW, YOU MAY CHOOSE ANOTHER LICENSED SMOG CHECK FACILITY TO PERFORM ANY NEEDED REPAIRS OR ADJUSTMENTS WHICH THE SMOG CHECK TEST INDICATES ARE NECESSARY.

**TEARDOWN/REASSEMBLY:** If you authorize teardown of the vehicle or commencement of repairs, but do not authorize completion of a repair or service, a charge may be imposed for teardown, reassembly or partially completed work and you agree to pay the same. It is necessary to disassemble the vehicle to provide and estimated price for repairs. The estimated teardown and reassembly charge (including parts and labor) is \$\_\_\_\_\_.

The maximum time for reassembly will be \_\_\_\_\_ X\_\_\_\_\_.

You understand that disassembly may prevent restoration of the vehicle to its former condition. X\_\_\_\_\_.

**SUBLET REPAIRS:** Some repairs must be sublet due to the type of service required. The location will be disclosed upon request.

**PAYMENT TERMS:** I agree to pay for all labor and materials simultaneously with delivery of the vehicle to me or 3 days after receiving notice that the vehicle is ready to be picked up. An express mechanics lien is hereby acknowledged on the vehicle to secure the cost of labor, materials, storage, and/or towing charges. I understand that a storage charge equal to \$75.00 will be assessed and shall accrue daily if I fail to pick up the vehicle within 3 days from the date I am notified that the repairs have been completed or after the communication of an estimate if I fail to authorize repairs.

**POWER-OF-ATTORNEY:** I hereby appoint the Dealership as my attorney-in-fact and authorize it to sign my name upon any checks, drafts, or other forms of payment issued in payment of this Repair Order. X\_\_\_\_\_.

I hereby grant the Dealership permission to operate the vehicle on streets, highways, or public roadways for the purpose of testing and/or inspecting the vehicle. The Dealership is NOT responsible for loss or damage to the vehicle or articles left in the vehicle in case of fire, theft, or any other cause beyond its control. I authorize the retrieval of on-board data as needed to facilitate vehicle repair as well as sharing that data with the vehicle manufacturer for diagnostic and research purposes.

**PARTS:** All parts are new unless otherwise indicated. You may inspect all parts removed from the vehicle upon request. If our Dealership does not have to return the parts to the manufacturer or distributor under a warranty arrangement and they are not exempt due to their size, weight, or other factors, they will be returned to you upon request.

I acknowledge notice and oral approval of an increase in the original estimated price.
